

Prom 2010 Dreams Alive Drive

A **night** to remember of **tuxes and gowns**
Beauty in motion, **dancing** to the sounds
Of **music and youth**, of joy and romance
A smile asking if he may have this dance,
A warm, gentle breeze and **fun** in the air,
Wouldn't you **love** to help her get there?

Please help us make prom night, which is a special night for so many young people, happen for our young ladies. We are asking for gently-worn dresses or monetary donations to give as many girls as possible the chance to attend the Spring 2010 Anson High School prom in style. You may donate at:
